This document is an infrastructure agreement under the Planning Act and, in particular, under sections 123, 144(2) and 158 of the Planning Act.

Council must comply with the terms of this document.

### Notice to proposed transferee of Developed Lot

#### NOTICE REGARDING INFRASTRUCTURE CHARGES

**This notice is important. Please read it carefully. If you have questions, it is strongly recommended that you obtain independent legal advice.**

You are being given this notice because you are considering entering into an agreement with **[insert developer name]** (**Developer**) for the sale or transfer of land located at **[insert address]** (described as **[insert lot and plan details]**) (**Lot**).

The Lot is subject to an infrastructure agreement (**IA**) between the Developer and Cairns Regional Council (**Council**) in relation to development of land including the Lot. As a result of that development, the Developer is liable to pay infrastructure charges to Council, in an amount of \$**[insert]**. Ordinarily, that would have occurred up-front with the development. However, under the IA, payment has been deferred.

Under the IA, the Developer is liable to pay the infrastructure charges. However, that liability **also** attaches to the land, including the Lot.

This means that if, for any reason, the Developer does not pay the infrastructure charges, you and other owners of the Land will each be jointly and severally liable to Council for the infrastructure charges.
