Moller declared that as an elected member of the Unity Team that a correction relating to Agenda Item No. 1 in the Closed Session of the Ordinary Meeting of 10 June 2020 - Contractual Matter – Infrastructure Agreement and Project Launch Approval – Redlynch Trunk Drainage Infrastructure – Division 6. He declared that he may have a conflict of interest relating to a paper to approve a project launch. The intent of the report was not to deliberate or decide on the awarding of a contract, however there was a brief mention of a contractor in the associated papers. Council typically awards these contracts under delegation, and it was atypical that a contractor would be mentioned in a report of this nature. An inadvertent error at officer level also meant that the contractor's name was not listed in an interest Parties document that Councillors utilize to assist in determining any potential personal interests. The interest particulars are as follows: <ul style="list-style-type: none"> • Electoral donations from D&M Moule in the amount of \$1000 on 11/01/2016; • FGF Developments \$1000 n 27/03/2012; and <ul style="list-style-type: none"> • An in-kind donation valued at \$400 on 30/03/2012 	Closed Session Clause No. 5 – Ordinary Meeting 10 June 2020`	No	Yes
