BIG FESTIVAL EVENT 2024

Dear Residents and Businesses,

On the 24th and 25th August 2024, Big Festival Event 2024 will be held at Cairns Park located at 119 Spence Street, Cairns.

This event will run for two consecutive days from 11am to 10pm. Activities include a concert with amplified music, fireworks displays and stage shows using a public address system.

Whilst every effort will be taken to minimise potential impacts to residents and businesses in the area, the event is expected to attract 5000 people per day. As such there is likely to be increased traffic and noise during this time so your patience and understanding is greatly appreciated.

If you have any questions or concerns prior to the event, please email bigfestivalevents@gmail.com

For any concerns during the event, please contact the Event Organiser John Smith on 0421 212 212.

Kind regards,

John Smith
